## Free Higher-Ed, K-12, & Non-profit plans

- 40 responses
- 1 teacher
- Unlimited polls

## Poll Everywhere [www.polleverywhere.com](http://www.polleverywhere.com)

## Advantages

- Easy to use and learn
- Clear out results
- Familiar technology
- Anonymity and faster responses

## How do I use it?

- Answer by text, Twitter, or web
- Multiple choice or open text responses
- Embed in PowerPoint or Prezi
- Surveys, instruction, training and more

## Disadvantages

- Technical support by FAQ
- Reliance on technology
- Filter function costs
- Need to be creative with large groups
